

March 20, 2015

FOR IMMEDIATE RELEASE

## Work to Resume on US-159/US-73 Kansas Line North

Weather permitting, work is scheduled to resume the week of March 23 on US-159/US-73 south of Falls City from Reference Post 0.00 to 3.65, according to the Nebraska Department of Roads.

Constructor's, Inc. of Lincoln, Nebraska, has the \$4,605,721 contract to repair concrete, surface mill, and to resurface the roadway and shoulders with asphaltic concrete. Bridge repair work is also associated with this project. Traffic on this 3.65-mile project will be controlled by one-lane work zones utilizing traffic signals, pilot cars, and flaggers. The project is anticipated to be completed in the summer of 2015.

The Department of Roads' project manager is Russell Eltiste of Tecumseh. Motorists are reminded to drive cautiously through construction zones.
